HAPPY NOTES *at home*

for the Vineyard Church family

Vineyard Summerfest 2010

by Happy Leman

Introduction

Are you tired of the cold weather here in the Midwest? Would you love to have a warm, summer vacation in the presence of God? Would it be even better if the surroundings were filled with Vineyard family (adults and children) from all throughout the Midwest?

Solution

We have the perfect answer to the above questions – **the Vineyard Summerfest 2010**. This is the Midwest Regional Conference which will be held June 14-17, 2010 at Green Lake, Wisconsin. This is a beautiful family Conference Center situation in a scenic rolling area next to beautiful Green Lake. What's more, hundreds of men, women, and children from all over the Midwest (Illinois, Wisconsin, Minnesota, Iowa, and Missouri) will be there to enjoy a wonderful time in the presence of God. (This conference really is open to EVERYONE in the Vineyard Family.)

Enjoy God Together

Speaking of God's presence, we will have many of the things you would expect at a Vineyard family conference. Of course we will have long, extended times of worship, great Bible teaching, and lots of ministry. We will have time for personal prayer, family devotions, as well as great times of fellowship. Some of the time we'll be together as entire families while other times there will be childcare, children's ministry, youth ministry, and even things for young adults.

We've never done anything like this in the Midwest. It is an opportunity to hang out with leaders and other Vineyard families. It's a chance for our children and youth to get acquainted with each other and form lifelong friendships.

The Main Speakers

Phil and Jan Strout (Eastern Regional Overseers) and **Happy and Dianne Leman** (Midwestern Regional Overseers) will be the featured speakers at the 4 main sessions. Our basic format is about developing a deeper walk and relationship with Jesus Christ. The 4 messages are entitled Stop – Experience God, Listen – Experience God, Look – Experience God, and Respond – Experience God. In addition, there will be workshops, devotions, and other ways to grow spiritually. In addition, our national leaders, **Bert and Evelyn Waggoner**, will also be with us at least 1-2 days.

Great Recreation Activities

There will be free time with many options available. Green Lake has 2 great golf courses. One has actually won awards as one of the finest in all of Wisconsin. There's a huge lake with boating and swimming available. There are wonderful trails through the woods for hiking and other nature activities. We will be planning some organized team sports activities as well as classes in their arts and crafts facility. There is a Frisbee golf course and a host of other things that will keep you as busy and active as you want to be.

Reasonable Rates

The rates displayed on the next pages show many different options. Some options include lodging as well as all food expenses. Or you can simply choose to do lodging and provide your own food in certain situations. Either way, these rates are very reasonable as this is a not-for-profit church camp.

See Flyer

The flyer below gives the basic details. If you want more information, go to the website www.vineyardsummerfest.com.

We think it will be a wonderful experience. Let me rephrase that – we think it will be a blast. Hope to see you there. Make your reservations soon. God Bless.

**Designed for you to experience the presence of God
along with family vacation fun!**

This conference has been organized under the direction of Marty Boller and his team. It has an entirely different feel from anything we've ever done in the past. It is designed for all ages. We've never had such a big event at such a beautiful site where everybody could have a great time and a vacation simultaneously.

The Conference will be full of God things such as worship, devotions, Bible teaching, ministry, etc. Maybe even more fun for many of you, it will full of great social time, recreation times, and just good 'ol fellowship.

For those of you who always wanted to spend more time with Vineyard leaders and people from other Vineyard churches, this has been designed for you. It is a laid back and wonderful vacation spot that allows us to come together for 4 days to experience the presence of God.
